PRESIDENTS MESSAGE

I hope the holidays filled you with cheer and the New Year rewards you with many blessings! While many of us make resolutions for the year, our chapter moves forward with goals as well. A brief progress report on a few goals follows.

Our chapter (and state) membership continues to grow. The following new members joined the Northeast Florida Chapter last month:

Thomas Cottrell, PE; Self-employed;
Sponsor – Terry Hull, PE
Cleve Dryden, PE; Edwards & Kelcey;
Sponsor – Fred Odom, PE
John Kimberly, PE; Nodarse & Associates;
Sponsor – Adrian Share, PE

These three raise to seven the number of new members since September. Don't forget to renew your important membership by sending your dues.

A new ad hoc committee moves forward with our chapter's web site, which should be on-line in the next few months. If you have suggestions or wish to participate, please contact me.

While our ongoing efforts in community and member service – Mathcounts, Professional Development Seminar, PE/EI Review Courses, Scholarships, etc. – continue with success, we look for other opportunities to expand our involvement. We met with an interested City Councilperson to briefly discuss opportunities such as advisory roles or committee positions. We will strive to integrate our leadership into the community to both enhance our profession's reputation as well as better the community.

As a final note, start making plans for upcoming Eweek. Among the many activities:

- Kickoff Lunch, Friday February 18 at UNF featuring Speaker Preston Haskell
- Scholarship Fund Raising Golf Outing, Monday February 21 at Jacksonville Golf and Country Club
- MATHCOUNTS, Saturday February 26 at UNF
- Awards Banquet, Saturday February 26 at the Radisson Riverwalk featuring Speaker Mark Mongeau, PE, our FES State President.

Terry Hull, President

MEMBERSHIP NEWS**Members save money on all continuing education courses.**

Did you know that all FES members save at least \$100 on all continuing education courses offered through FES? A new member can save money plus begin receiving the same great value you receive from membership each day. Membership applications are available on-line for each seminar, or contact Kate Robinson, Director of Membership Recruitment at 850-224-7121.

CONTINUING EDUCATION NEWS

FES is making it easy to meet the required 8 hours of continuing education to renew your PE license. A complete list of prices, locations, and registration process is available at the FES web site. Members have the option to take Better Project Management Performance and Professionalism, Ethics, and the Law on-line at the same web site. Contact FES at 850-224-7121 with any questions.

OTHER ENGINEERING SOCIETY NEWS**Engineer's Week**

Engineer's Week, founded in 1951 by NSPE, is dedicated to raising public awareness of engineers' positive contributions to the quality of life. It promotes recognition among parents, teachers and students of the importance of a technical education and a high level of math, science, and technology literacy, and motivates youth to pursue engineering careers in order to provide a diverse and vigorous engineering workforce. For more information go to the e-week web site.

Engineering Seal Price Change, Effective January 1, 2005

Effective January 1, 2005, all orders must be received on the updated order form that reflects cost of production price increase. Orders received on old forms will not be accepted, so please update your files with new order forms. Order forms are available at the FES web site or contact Judy Roberts at 850-224-7121.

The Northeast Florida Engineers Week Committee has established the 2005 schedule of events. Go ahead and mark your calendar now and plan to participate. This year's activities and events are featured on a new website thanks to the efforts of Doug Layton, P.E., and Matthew Wurdeman of HDR. Check out <http://www.nefl-eweek.com> for the latest updates.

Once again, the Official Engineers Week Program Guide will be published with the **Jacksonville Business Journal** on February 18, 2005. The program guide will highlight Engineers Week activities and the accomplishments of local engineers. It's a great opportunity to showcase your firm to the Jacksonville business community. For more information, please contact Kimberly Waterhouse at 265-2210.

More details will be provided in the next FES Envision and on the website. For more information, contact **Ken Lofgren, P.E.** at 213-0034 or this year's Engineers Week committee chair, **Denise Henkes** at 448-5300.

PRESIDENTS MESSAGE

With Engineer's Week almost here, look for many activities in the upcoming weeks. Beginning this month is the FES-sponsored PE exam refresher course. Look for an attached registration form to post at the office and pass on to anyone preparing for the exam this year. The classes will be Tuesdays and Thursdays starting February 22 and ending April 7.

Join fellow FES and ASCE members for Hockey Night to watch the Jacksonville Barracudas play on February 22. Last year's event was very successful with a large turnout. Look for details enclosed.

We need your time on February 26 when the Chapter will hold the 2005 Mathcounts competition at a new venue – the University of North Florida campus. We want to expose the 6th-8th grade Mathletes – our future in engineering, math, and science – to the new engineering and science facilities, programs, and atmosphere at UNF. We express our sincere gratitude to Episcopal High School for hosting our annual competition for 20 years. Episcopal's gracious hospitality and generosity sharing their facilities, and their staff's time and effort, have been instrumental to the success and reputation of our program. Every competition ran smoothly thanks to their staff's contributions and the accommodating facilities. Please help at the competition. Call John McEvoy at 280-4678 for more details.

A detailed schedule of Eweek activities is attached including a registration form for the Eweek Golf Outing to raise scholarship money. I hope to see you at one of the many events.

As a final note, the ASCE Student Chapter at the University of North Florida will enter their first regional ASCE bridge design contest. They need sponsors to raise the money required to compete. Please show your support by becoming a team sponsor. Call Dr. Nick Hudyma at 904-620-2195 for details. Good luck students!

**PROFESSIONAL ENGINEERING REFRESHER COURSE
PART II - SPRING 2005**

Part I of the Engineering Refresher Course, the Engineer-in-Training Refresher, offered in the fall, covers fundamental theory and is designed to aid with Part I of the State Board Exam. Part II, the Professional Engineering Refresher Course, offered in the spring, covers Principles and Practices of Engineering, and is designed to aid with Part II of the State Board Exam.

Part II of the 2005 Annual Professional Engineer's Refresher Course for Civil Engineers is scheduled to run from February 22 through April 7. Classes will be held on Tuesday and Thursday nights from 6:00 p.m. to 9:00 p.m.. Other nights and times may be utilized where more classes or more class hours per week are required. No classes will be held March 15 and 17. Classes will be held at Englewood High School, 4412 Barnes Road, Jacksonville, Florida (north and east of I-95 and University Blvd.). The spring State Board P.E. Exam is scheduled for April 15, 2005. You must have already completed your application process to sit for the April exam. For application forms and additional information on requirements for professional registration contact the Florida

Board of Professional Engineers at (850) 521-0500.
www.fbpe.org

Applications for the Civil Engineering Refresher Course should be mailed or delivered to the office of PBS&J, 7406 Fullerton Street, Suite 350, Jacksonville, Florida, 32256. Please complete the accompanying application and delivered by February 12, 2005. Applications may also be faxed to (904) 733-6621.

The tuition fee for the Civil Engineering Refresher Course is \$200.00. Make checks payable to the **Florida Engineering Society**. Purchase orders from local employers will also be accepted. No credit cards please. Anyone registering after February 17, 2005, may be charged an additional \$15.00 late fee. Reference Manuals and Solutions Manuals for the Civil P.E. Refresher Course can be ordered directly from the publisher at <http://www.ppipartner.com/YM666>. Contact Bruce Myhre, P.E. (bemvhr@pbsj.com) at (904) 363-8455 if you have questions concerning the E.I. or P.E. Refresher Courses.

PRESIDENTS MESSAGE

Thanks to all who donated their time and money to this year's MATHCOUNTS competition. We owe a special thanks to a new sponsor – VISTAKON. Vistakon donated \$2,000 towards this year's program and plans to contribute on a long-term basis. Also, Vistakon employees volunteered their time to help with the competition.

Welcome to the following new members who joined the Northeast Florida Chapter in January and February:

Stephen Jensen, PE; Jensen Civil Construction;
Sponsor – Terry Hull, PE
Walter F. Lastinger, PE; NSPE - Transfer
Anhda Le, EI; Ellis & Associates, Inc;
Sponsor – Tina Meskel, PE
Chittapoo Usnabhiraks, PE; Keith and Schnars, PA;
Sponsor – Peter Sheridan, PE
Balaji Balachandran, AS; MACTEC;
Sponsor – Michael Woodward, PE
Cynthia Burney, EI; Moreland Altobelli; NSPE Transfer
Paul Ina, PE; Ayres Associates;
Sponsor – David Kemp, PE
Jeffrey Westbrook, PE; IQE Consultant Engineers,
Sponsor – Terry Hull, PE

FES now has over 4200 members and 230 new members state-wide. Note that all unpaid members will be discontinued on March 31, 2005. Remember that membership not only includes benefits – access to the latest industry information, networking sessions, community involvement, leadership development, continuing education, professional recognition (and much more) – but also represents another voice in the legislature (every one counts) where FES fights for our concerns. So please renew your membership.

Inside, look for information on:

- The new FES Florida Professional Engineers Retired (FPER) Practice Section. Become a charter member or officer.
- 2005 Annual FES/FICE Legislative Forum. Meet Legislators in Tallahassee and advise them on our issues.

Terry Hull, President

CONTINUING EDUCATION NEWS**Drainage Standard Indexes Course - Thursday, March 17, 2005**

FICE/FDOT is pleased to provide the Drainage Standard Indexes Course in Tallahassee, FL. This basic level course will familiarize the drainage and roadway design engineers with the use of the Florida Department of Transportation Drainage Standards Indexes. Information is also included for geotextiles, pipe, underdrains, and other miscellaneous drainage features. Participants earn 6 PDHs for this course.

For more information or to register visit www.fleng.org.
 Cost: FES/FICE Members-FDOT Employees \$350.00
 Non-Members/non-FDOT Employees \$450.00

FICE/FDOT Pond Design in St. Augustine - April 18-19, 2005

Participants in this two-day course will design a stormwater facility using basic spreadsheet routines. Course content will include an overview of regulatory requirements and a discussion of water quality methods with emphasis on wet detention. Rainfall, design storms, and the NRCS curve number runoff method will be discussed. Participants earn 15 PDHs for this course.

The course will also cover the storage indication method which will be used for pond routing. FDOT staff from a nearby District will make one or more presentations about stormwater management facilities during the class. Participants will need to bring a laptop and calculator in order to participate fully in this course.

Additional and on-line information is available at www.fleng.org.

Cost: FES/FICE Members-FDOT Employees \$525.00
 Non Members/non-FDOT Employees \$625.00

PDH Certificates available On-Line!

PDH Certificates from FES Courses are now available on-line. FES members need to simply log onto the FES Web site (www.fleng.org) and download PDH certificates from FES/FICE events attended. The 'Customer Number' is your FES member number and the 'Password' is your last name. Please contact FES Headquarters with any questions, problems, or if you have forgotten your FES number, 800-277-0086.

OTHER SOCIETY NEWS**Retired, Respect and Life Members. We need your support!**

In November 2004, the FES Board of Directors approved the Operating Rules and Procedures of the Florida Professional Engineers Retired (FPER) Practice Section. In order to proceed forward the Practice Section needs to establish their membership list, elect their officers, and hold their first meeting. If you are interested in participating in FPER, a Life, Respect, or Retired member, or just someone who wishes to promote FPER's objectives, please contact headquarters today at 850-224-7121. Show your support and sign up today.

If you know of a Retired, Respect, or Life member in your chapter that is active and would like to hold office in the new FPER Administrative Committee please contact Kelly Jones, 850-224-7121 or kelly@fleng.org, by March 25, 2005.

2005 Annual FES/FICE Legislative Forum

Enjoy beautiful Tallahassee in the spring. Join your fellow members for the 2005 FICE/FES Legislative Forum, April 6 & 7th. This event offers a unique opportunity to build relationships with Legislators and educate them on issues important to Professional Engineers. During this forum, you will have the chance to visit the Capitol and meet with your Florida Representatives and Senators. These visits will help gain political allies who will produce legislative results for engineers statewide.

Register today at www.fleng.org. Please contact Samantha Hobbs at 850-224-7121 or shobbs@fleng.org for additional information or questions.

FES Announces Plans for 2005 Leadership Conference

The FES Leadership Advisory Committee, chaired by Jay Nagle, PE, PBS&J, announces it will hold the FES Leadership Conference at the PGA National Resort in Palm Beach, June 17-18, 2005.

More information will be available in the next several months. In the meantime, please mark your calendars and plan to attend! For more information about this or other FES events, please contact Dee Kring, Director of Member Events at 850/224-7121 or dkring@fleng.org.
